Dear ones,

Ready or not, we're moving into the fall program of our church's life, and it promises to be a joyous time. The celebration begins when we share in the out-door service and picnic set for September 11th. That day marks also the beginning of two services of worship on Sunday mornings. On the 21st, the first meeting of the confirmation class will take place with parents attending the occasion. The time is set for 5:30 PM and will last one hour. At that time the dates and expectations of the program will be announced with opportunity to discuss special events and plans for the year. There are thirty confirmands comprised of 7th and 8th graders of which thirteen eighth graders will be confirmed in the spring of 2017. We will be attending the orientation for confirmands presented by Lakeland University on Wednesday, September 28th. We are so fortunate to have this many young people participate in this venture of faith and I look forward to being their teacher. It is also true that I look forward to the participation of parents in the class. Their presence insures a caring nature that is so necessary in preparing our children to meet and claim the faith that ever advances the life and purpose of Christ our Lord.

We will celebrate the Lord's Supper at both services on the 11th, and on both occasions I will introduce our senior high coordinator. His name is Connor Armstrong who is in his junior year at Lakeland University. And, while his primary responsibility will relate to the senior highs of our church, he will be available for a variety of responsibilities as directed by me in accord with his requirements to meet the expectations of the university program of which he is a part. We are fortunate to be a part of the Lakeland experience and hopefully, the church will continue to avail itself of this association for many years to come.

As always, the church will continue to be a vital part of our lives as we live into the fall. The wonderful spirit that is evident every Sunday morning sends out an appeal to join us in our worship. It is a beautiful experience to be part of the life here. It enriches and bestows upon us a grace that is gratefully received and gladly shared. And, if there are words that can fully express that thought they must include - Welcome to Saron.

Warmly,

E. Huntzinger
